Emergency Shower & Eyewash Stations Market 2021 : Global Industry Analysis, Size, Share, Growth, Trends And Forecast

- Emergency shower & eyewash stations are essential equipment installed in laboratories and industries where workers are likely to come in contact with hazardous substances and chemicals. The first few seconds after exposure to hazardous substances are crucial, and delay in treatment may lead to serious injuries. Hence, emergency shower and eyewash stations are installed in such environments.
- Various types of stations available in the market cater to requirements of every industry. The increasing health concerns of workers and stringent government laws are expected to drive the emergency shower & eyewash stations market during the forecast period.

Key Drivers and Opportunities of the Global Emergency Shower & Eyewash Stations Market

- Accidental exposure to hazardous substances can occur despite good engineering controls, equipment, and safety precautions. It is important to look beyond PPE to safeguard the employees. Emergency shower and eyewash stations help in providing on-spot decontamination. It helps in flushing away the hazardous substance that can cause injury. The increasing safety concerns of employees is expected to drive the emergency shower & eyewash stations market during the forecast period.
- The other driving factor of the market is the growing number of end-use industries. Development of end-use industries coupled with government regulations pertaining to the safety of employees is expected to generate demand for more emergency stations around the world.
- Manufacturers in this industry have made improvements in emergency stations by improving its coverage, durability, and efficiency. The new emergency shower designs come with fluid dynamics technology while eyewash stations are incorporated with ceramic disc technology. Improvement in the product coupled with its easy availability and service capabilities are likely to open doors for new business opportunities in the market during the forecast period.

Europe to Hold Major Share of the Global Emergency Shower & Eyewash Stations Market

- In terms of geography, the global emergency shower & eyewash stations market can be divided into North America, Europe, Asia Pacific, Middle East & Africa, and South America.
- Europe is expected to garner the highest share in the global emergency shower & eyewash stations market due to its blooming chemical industry. The market in Europe is projected to be followed by markets in North America and Asia Pacific during the forecast period.

Key Players Operating in the Global Market

Major players operating in the global emergency shower & eyewash stations market include:

- ACMAS Technologies Pvt. Ltd.
- Bradley Corporation
- Carlos Arboles, S.A.
- Cole-Parmer Instrument Company, LLC.
- Encon Safety Products
- Guardian Equipment
- Haws Corporation
- Honeywell International Inc.
- Hughes Safety Showers
- Speakman

Global Emergency Shower & Eyewash Stations Market: Research Scope

Global Emergency Shower & Eyewash Stations Market, by Product Type

- Emergency Shower
  - Ceiling Mounted Shower
  - Floor Mounted Shower
  - Platform Operated Shower
  - Wall Mounted Shower
  - Platform Operated Booth
- Emergency Eyewash Stations
  - Plumbed Eyewash Stations
  - Portable Eyewash Stations

Global Emergency Shower & Eyewash Stations Market, by Price

- Low
- Medium
- High

Global Emergency Shower & Eyewash Stations Market, by Application

- Laboratory
- Chemical Industry
- Electronic Industry
- Oil & Gas
- Others (Pharmaceutical, etc.)

Global Emergency Shower & Eyewash Stations Market, by Distribution Channel

- Online
- Offline

Global Emergency Shower & Eyewash Stations Market, by Region

- **North America**
  - U.S.
  - Canada
  - Mexico
  - Rest of North America
- **Europe**
  - Germany
  - France
  - U.K.
  - Italy
  - Spain
  - Russia & CIS
  - Rest of Europe
- **Asia Pacific**
  - China
  - Japan
  - India
  - ASEAN
  - Rest of Asia Pacific
- **South America**
  - Brazil
  - Chile
  - Rest of South America
- **Middle East & Africa**
  - GCC
  - South Africa
  - Rest of Middle East & Africa
